When you consider that the traditional holiday feast of turkey and all the trimmings contains more than 3,000 calories and 225 grams of fat, it's no wonder Americans are seeking healthier alternatives. Fortunately, these healthy options can be easy, tasty and quick ó giving you time to enjoy the party with your guests. Quick-cook appetizers like cheddar harvest fondue or no cook options like a cheese board accompanied by whole grain bread, fall fruits and nuts, are delicious and simple options that provide key vitamins and minerals Americans are lacking. To receive healthy holiday recipes, a Cheese Appreciation Guide and a free shopping list, please call 1-800-241-MILK or 6455. Or, visit the 3-A-Day Web site at [3aday.org](http://3aday.org).
